Seattle: Public & Private
Gardens in the
Emerald City
June 18-24, 2018

Join us in the Emerald City where our local contact, Greg Graves, has organized an extraordinary collection of exclusive private garden visits. From our base at the boutique Mayflower Park Hotel in downtown Seattle we'll make day trips to neighboring islands, including Bainbridge where we'll tour Bloedel Reserve, one of the finest gardens in the nation. A day visiting gardens east of Seattle includes the Bellevue Botanical Garden; another day we'll head south to the legendary Old Goat Farm for dinner and a nursery tour. Back in the city, we'll visit the remarkable exhibits and gardens at Chihuly Garden & Glass. Don't miss this special opportunity to get beyond the garden gate with one of Seattle's most well connected horticulturists.

For information about all PHS tours and links to a detailed itinerary and registration information on our Santa Fe tour visit pachort.org/tours.

Pacific Horticulture Society
P.O. Box 5995 Berkeley, California 94705
(510) 849-1627 office@pacifichorticulture.org

Pacific Horticulture Society has been a strong voice for West Coast gardeners since 1976. We are a community of avid gardeners passionate about exploring the many facets of garden making and creating nature-friendly environments.
